

# A brief history of the European windstorm workshops

David Stephenson

University  
of Exeter

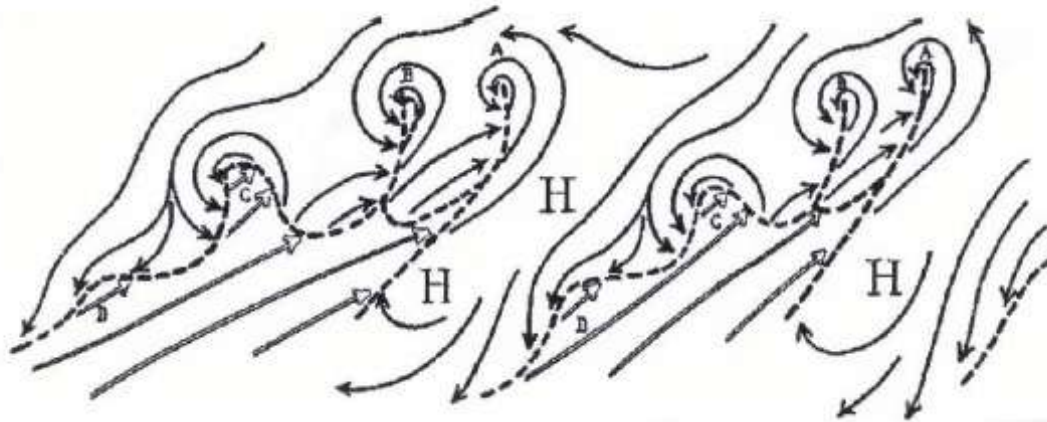

*9<sup>th</sup> European Windstorm Workshop 28 June 2023, Toulouse*

## AXA 2009 research project description

### Regional Assessment of Climate change impact on European WINDstorms: Track Clustering and Multi-Peril Dependency (RACEWIN)

Prof D.B. Stephenson, Dr R. Vitolo, Dr C.A.T. Ferro (University of Exeter)  
Dr S. Brown, Dr R. McDonald (née Carnell), Dr H. Thornton (Met Office Hadley Centre)

- *“build capacity in European windstorm research by creating a European windstorm research network that will provide useful advice to industry/policymakers.”*  
To be achieved by: email list\*, 2 workshops, online forum.
- *“It is envisaged that the network will live on much longer than this proposed project and will help stimulate new developments and larger-scale collaborative proposals.”*

# Summary of previous workshops

Number	Date	Location	Lead organiser
1	Sep 2011	Exeter, UK	David Stephenson
2	Sep 2012	Leeds, UK	Peter Knippertz
3	Sep 2013	Exeter, UK	David Stephenson
4	Sep 2014	Lisbon, Portugal	Margarida Liberato
5	Sep 2015	Bern, Switzerland	Christoph Raible
6	June 2017	Reading, UK	Len Shaffrey
7	Oct 2018	Karlsruhe, Germany	Joaquim Pinto
8	Oct 2019	Birmingham, UK	Gregor Leckebusch
9	June 2023	Toulouse, France	Florian Pantillon
